## GENERAL TERMS AND CONDITIONS

This test report / certificate issued by Eurofins NM Laboratory Sdn. Bhd., herein referred to as Eurofins NML, is in accordance with and subject to the terms and conditions herein contained:

1. The sample(s) submitted by the customer shall be tested / analysed according to any published standard method or non-published method as discussed and agreed upon by the customer and Eurofins NML. In the absence of any written instruction, the customer is deemed to have agreed and accepted the standard method or technique used by Eurofins NML in the testing / analysis of sample(s). However, Eurofins NML shall state in the report / certificate the standard method or technique used, where appropriate.
2. The integrity of the sample(s) and result(s) are dependent on the quality of sampling. The result(s) of testing / analysis performed by Eurofins NML is / are only applicable to the particular sample(s) received at the time of testing / analysis.
3. This report / certificate is not a certificate of quality. The results do not indicate or imply that Eurofins NML approves, recommends or endorses the manufacturers or suppliers or users of products and it shall not be used to imply product certification.
4. The overleaf test / analysis result(s) is / are based solely on the sample(s) submitted by the customers. Eurofins NML assumes no responsibility for the accuracy of information on the name, type, class, brand or model number of products or any information supplied by the customers.
5. This report / certificate is only valid when signed by an approved signatory or an authorized personnel of Eurofins NML. This report / certificate shall not be reproduced except in full.
6. Sample(s) and any remnant sample(s) will not be retained by Eurofins NML for more than one (1) month, except with special instruction from customer.
7. Eurofins NML shall be held harmless from any liability arising out of the use of such test / analysis result(s).
8. Presentation of test / analysis result(s) for method detection limit and unit of measurement shall be agreed by Eurofins NML and customers, normally decided by Eurofins NML for technical reasons and good practice in analytical measurement.
9. Where relevant, a statement of compliance / non-compliance with requirement and / or specifications shall be presented only when requested by customers. The statement shall be appropriate and needed for interpretation and guidance only.
10. This report / certificate shall not be used for advertising and legal proceeding purpose without prior written approval from Eurofins NML.

NOTE : ND(<MDL) denotes not detected for value obtained is less than the Method Detection Limit (MDL) stated.
